- Marketplace Operations (Amazon & Walmart)
- Root Cause Analysis
- Cross-Functional Coordination
- SLA & Quality Management
- Process Optimization

Work History

2022-08 - 2025-06

Project Management Specialist

Walmart, Chennai

- Managed end-to-end onboarding for 15–22 international marketplace sellers per month through structured 8-week implementation program.
- Conducted discovery calls to assess business models and prior marketplace experience (Amazon) to tailor onboarding approach.
- Guided sellers on catalog upload tools, data templates, and compliance standards to ensure smooth go-live.
- Frequently assigned as escalation point of contact for high-priority sellers due to strong communication and resolution capability.

- Performed root cause analysis on listing errors and coordinated cross-functional fixes.
- Maintained SLA adherence during peak inflow periods (up to 7 new sellers per week).
- Trained international BD teams to assist sellers during festive high-volume seasons.
- Awarded Stellar Stakeholder Recognition (April 2023) for exceptional seller experience.

2019-04 - 2021-05

Catalogue Associate

Amazon Pvt Ltd

- Managed catalog operations while maintaining SLA and quality standards.
- Coordinated with vendors to ensure accurate pricing and product information integrity.
- Proactively flagged potential SLA risks and supported large-scale catalog updates.
